DILG MESSAGE

Our government bureaucracy has to serve with efficiency, effectiveness and economy and it requires that the local governments' programs, projects, and policies are responsive to the gender issues and concerns of their constituents.

It is in this light that I laud the Philippine Commission on Women (PCW) for updating the "Gender-Responsive LGU (GeRL) Assessment Tool" for local government units (LGUs).

A partnership born out of the PCW and the DILG's Local Government Academy (LGA) in 2005, this tool is now made more relevant and helpful to the LGUs in measuring their level of gender-responsiveness as an organization and in their delivery of the basic services.

I call on local chief executives, along with their concerned local committees for gender and development (GAD), to fully utilize the GeRL Tool which will be highly beneficial during the planning and implementation of their GAD projects and activities.

Ang pagprotekta sa kapakanan ng kababaihan bilang mga ilaw ng tahanan at tanglaw ng lipunan, ay pagtiyak sa masaganang pamayanan at sambayanan.

Muli, salamat sa PCW at mabuhay ang mga kababaihang Pilipino!

A handwritten signature in purple ink, consisting of stylized, overlapping loops and a long horizontal stroke extending to the left.

EDUARDO M. AÑO

Secretary
Department of the Interior
and Local Government

MESSAGE

The Philippine Commission on Women remains steadfast in its mission to create an enabling environment of fully achieve gender equality and the empowerment of women and girls in the country. Thus, it welcomed the directive of President Rodrigo Roa Duterte in his 2016 and 2017 State of the Nation Address (SONA) ordering all agencies, oversight bodies and local government units down to the grassroots level to fully implement the Magna Carta of Women (MCW).

The MCW mandates the full participation of women in the formulation, implementation, and evaluation of policies, plans, and programs for national, regional and local development. It calls for a gender-responsive governance through inclusive and gender-responsive policies and programs that cater to the needs of all, especially women – regardless of class, age, sex, gender, language, ethnicity, religion, ideology, disability, education, and status.

This recent revision of the Gender-Responsive LGU (GeRL) Assessment Tool, produced by the Philippine Commission on Women (PCW), in collaboration with the Department of the Interior and Local Government (DILG), is a milestone in our effort to ensure the practice of gender-responsive governance on the ground. The tool embodies the fundamental principle of gender equality and women's empowerment – twin goals we have committed to achieve by 2030. We hope that the local governments will find this as a useful guide in laying the foundation of governance that is participatory, empowering, equitable, and respectful of women's rights as human rights.

I commend the PCW secretariat and the DILG, especially the team who worked hard to develop this tool and the LGUs as well as the members of the National GAD Resource Pool who helped in the pre-testing and crafting of this tool.

I encourage all provinces, cities and municipalities to use this GeRL Assessment tool to be able to better respond to the needs of women and men in the communities, close the gender gaps, practice participatory governance, and realize inclusive development and authentic community empowerment.

Mabuhay tayong lahat!

RHODORA T. MASILANG-BUCOY, PhD

Chairperson
Philippine Commission on Women

FOREWORD

What does it take for a local government unit to be gender-responsive, that is, to be able to act on the different needs and concerns of its constituents, particularly the women and men, girls and boys.

When there is gender-responsive local governance and seamless delivery of services, LGUs become more effective, efficient, and relevant in addressing issues and problems, such as gender-based violence, teenage pregnancies, maternal deaths, lack of women's economic opportunities, water and sanitation, and calamities among others. Thus, local resources are not wasted; its people, especially women and the disadvantaged groups are given the space and opportunity to participate in the planning, implementation, and monitoring of LGU projects, programs, and services.

As the national machinery on gender equality and women's empowerment, the Philippine Commission on Women (PCW) has consistently worked with government stakeholders especially Local Government Units (LGUs) for the implementation and localization of the Magna Carta of Women (MCW). The MCW mandates all government instrumentalities including LGUs to pursue gender mainstreaming as a strategy to protect, promote and fulfill women's human rights, and eliminate discrimination in their systems, structures, policies, programs, and processes. Other than pursuing gender mainstreaming, government offices shall also monitor and evaluate the effectiveness of their GAD-related programs and services.

The PCW is pleased to collaborate with the Department of the Interior and Local Government (DILG) in publishing this Gender-responsive LGU or **GeRL Assessment Tool**. This tool contains a set of relevant indicators to measure various aspects of gender-responsive local governance. Specifically, the tool measures the extent to which an LGU provides quality basic services and facilities for its female and male residents, especially from the marginalized sectors, that are gender-sensitive, accessible, affordable, timely, and reliable. As an organization, it also checks the capacity of LGUs to develop implement, monitor, and allocate resources for gender and development (GAD). In addition, the GeRL Assessment Tool provides how gender-perspective

can be integrated in administrative governance, valuing fundamentals of good governance, institutional capacity, and delivery of basic services and facilities.

The results of the application of the GeRL Assessment Tool will enable LGUs to identify gender gaps and issues that should be included in their Local Development Plans and Budgets. The utilization of the results of the tool, especially on the prioritization of gender gaps and issues, will also contribute to the achievement of the Philippine Development Plan (PDP) towards a “people-centered, clean and efficient governance” and “seamless delivery of key services.”

From 2015-2017, the PCW pretested the draft GeRL Assessment Tool, seeking comments and inputs from the representatives

of select cities, municipalities, and provinces and PCW Certified GAD Resource Pool members. The pre-test results contributed to the finalization of the tool, making it relevant, timely and user-friendly.

Beyond quantifying compliance, we hope that the GeRL Assessment Tool will help track results and outcomes towards achieving the Sustainable Development Goals especially gender equality and the empowerment of all women and girls, as well as all the other international human rights obligations to respect, protect, and fulfill human rights.

EMMELINE L. VERZOSA

Executive Director
Philippine Commission on Women

ACRONYMS

The following acronyms were used throughout the Handbook and are meant as reference for the users of the tool:

AIDS	Acquired Immune Deficiency Syndrome
AIP	Annual Investment Program
AOM	Audit Observation Memorandum
AR	Accomplishment Report
ATS	Anti-Tetanus Serum
BEmONC	Basic Emergency Obstetric and Newborn Care
BTL	Bilateral Tubal Ligation
CCA	Climate Change Adaptation
CEmONC	Comprehensive Emergency Obstetric and Newborn Care
CDP	Comprehensive Development Plan
CICL	Children in Conflict with the Law
CLGOO	City Local Government Operations Officer
CLUP	Comprehensive Land Use Plan
COA	Commission on Audit
CPDO	City Planning and Development Office
CSC	Civil Service Commission
CSCRO	Civil Service Commission Regional Office
CSO	Civil Society Organization
DBM	Department of Budget and Management
DILG	Department of the Interior and Local Government
DILG-LGA	Department of the Interior and Local Government – Local Government Academy
DMPA	Depomedroxyprogesterone Acetate

DOH	Department of Health
DRRM	Disaster Risk Reduction and Management
ENR	Environment and Natural Resources
EO	Executive Order
GA	Gender Analysis
GAD	Gender and Development
GAD AR	Gender and Development Accomplishment Report
GBV	Gender-Based Violence
GeRL	Gender-Responsive Local Government Unit
GFPS	GAD Focal Point System
GM	Gender Mainstreaming
GPB	GAD Plan and Budget
GST	Gender Sensitivity Training
HGDG	Harmonized Gender and Development Guidelines
HIV	Human Immunodeficiency Virus
IDP	Internally Displaced Persons
IEC	Information, Education, and Communication
IRA	Internal Revenue Allotment
IUD	Intrauterine Device
JC	Joint Circular
JMC	Joint Memorandum Circular
LAM	Lactational Amenorrhea Method
LCAT	Local Committee on Anti-Trafficking
LCAT-VAWC	Local Committee on Anti-Trafficking and Violence Against Women and their Children
LCE	Local Chief Executive
LDC	Local Development Council

LDIP	Local Development Investment Program
LDP	Local Development Plan
LDRRMP	Local Disaster Risk Reduction and Management Plan
LFS	Labor Force Survey
LGU	Local Government Unit
LSB	Local Special Body
MC	Memorandum Circular
MCW	Magna Carta of Women
MISP	Minimum Initial Service Package
MLGOO	Municipal Local Government Operations Officer
MOV	Means of Verification
MPDO	Municipal Planning and Development Office

Instructional Guide

I. INTRODUCTION

A. Background

Republic Act No. 9710, otherwise known as the “Magna Carta of Women” (MCW), consolidates and reinforces previous national policies on Gender and Development (GAD). It also mandates all government instrumentalities to adopt Gender Mainstreaming (GM) as a strategy to promote and fulfill women’s human rights.

Specifically, Chapter VI (Institutional Mechanisms), Section 36, of the MCW states:

All departments, including their attached agencies, offices, bureaus, state universities and colleges, government-owned and controlled corporations, local government units, and other government instrumentalities shall adopt gender mainstreaming as a strategy to promote women’s human rights and eliminate gender discrimination in their systems, structures, policies, programs, processes, and procedures.

Pursuant to the law, efforts to localize the provisions of the MCW have been made for the past several years. The Philippine Commission on Women (PCW), the Department of the Interior and Local Government (DILG), Department of Budget and Management (DBM), and the National Economic and Development Authority (NEDA) issued Joint Memorandum Circular (JMC) 2013-01, “Guidelines on the Localization of the Magna Carta of Women,” and JMC 2016-01, or the “Amendments to PCW-DILG-DBM-NEDA JMC 2013-01: Guidelines on the Localization of the Magna Carta of Women” to enable Local Government Units (LGUs) to institutionalize and systematize gender mainstreaming efforts.

As the primary policy-making and coordinating body on women and gender equality concerns, the PCW has consistently explored ways to support LGUs in their gender mainstreaming programs and activities. In 2005, in collaboration with the DILG-Local Government Academy (DILG-LGA), the PCW developed the “Gender-Responsive LGU (GeRL) Ka Ba? Self-Assessment.” The self-administered tool aimed to provide LGUs with a concrete picture of the gaps and development areas in mainstreaming GAD at the local level.

In consideration of recent developments in policies, guidelines, and tools related to gender mainstreaming, the PCW updated the GeRL Ka Ba? Self-Assessment to Gender-Responsive LGU Assessment Tool or simply, The GeRL Assessment Tool. The enhanced GeRL Assessment Tool is better aligned with LGUs’ multi-level priorities and recognizes the different realities, capacities, and limitations that LGUs face as interventions move closer to the grassroots. It is also designed specifically for Provinces, Cities, and Municipalities.

B. Purpose

The enhanced GeRL Assessment Tool measures the level of gender responsiveness of an LGU: 1) as an organization; and 2) in the delivery of its basic services and facilities.

When administered, the enhanced GeRL Assessment Tool will enable LGUs to:

1. **GATHER** data and information on the level of GAD mainstreaming efforts and practices;
2. **MONITOR** and evaluate the gender-responsiveness of the organization and in the delivery of basic services and facilities; and
3. **IDENTIFY** the gaps and corresponding strategies towards achieving gender-responsive local governance.

II. FEATURES

The PCW began the process of enhancing the GeRL Assessment Tool in 2015 to take into account emerging gender issues and new GAD-related policies and tools. Pre-testing sessions were then conducted in select provinces, cities, and municipalities to test the relevance and effectiveness of the enhanced GeRL Assessment Tool. The substantive, contextual inputs provided by LGU officers and direct service providers during these sessions were used to refine the GeRL Assessment Tool's indicators and rating descriptors.

Several innovations have been adapted in the enhanced GeRL Assessment Tool. In terms of its administration, the GeRL Assessment Tool requires the maximum participation of the LGU's different units and organizations. This ensures that all sectors are represented and relevant data and information are surfaced during administration. In terms of its structure, the GeRL Assessment Tool has also been aligned with some of the indicators of the Local Governance Performance Management System (LGPMs). It has also adopted indicators of local governance clustering it into three (3) performance areas under the Organization Level, namely; Administrative Governance, Valuing The Fundamentals of Good Governance, and Local Institutional Capacity. In addition, the indicators under the Basic Services and Facilities were grouped into three (3) sectors, namely; Social Development, Economic Development, and Environmental Development.

The GeRL Assessment Tool consists of six (6) forms that should be accomplished by the LGU. The rating scale system has also been modified from one (1) to five (5) to zero (0) to four (4). The 0 to 4 rating scale recognizes the value of every effort of the LGU in mainstreaming GAD in their organization and in the delivery of basic services and facilities to their constituents.

A. Composition and Roles of the Assessment Team

The following offices and individuals shall lead the administration of the GeRL Assessment Tool:

- 1. PLANNING AND DEVELOPMENT OFFICE:**
Directs and facilitates the process of administering the GeRL Assessment Tool; guides the respondents in discussing each indicator; and draws up conclusions and consensus on the rating based on supporting documents;
- 2. CHAIR, GAD FOCAL POINT SYSTEM (GFPS) TECHNICAL WORKING GROUP (TWG):**
Ensures participation of different units and individuals by coordinating the schedule and venue of the assessment; and prepares the GAD-related documents as reference materials in administering the GeRL Assessment Tool; and
- 3. GFPS SECRETARIAT:**
Documents the highlights of the assessment; and ensures the accuracy and completeness of the information provided by the assessment team.

Representatives from the following LGU offices are also required to be part of the assessment team to ensure a more comprehensive administration of the GeRL Assessment Tool:

Office of the Administrator

Social Welfare and Development Office

Health Office

Human Resource Management Office

Budget Office

Agricultural Office or Environment and Natural Resources Office

Engineering Office

Disaster Risk Reduction Management Office

Police Office
(Women and Children Protection Desk)

School Board Office or Chairperson of the Sanggunian Committee on Education

Information and Communication Technology Office

Local Government Operations Office

Chairperson of the Sanggunian Committee on Women and Family

Chairperson of the Sanggunian Committee on Appropriations

Office of Senior Citizens Affairs

Office of Persons with Disability Affairs

Nutrition Action Office

Sanggunian Secretary

At least two (2) local non-government organization (NGO) or civil society organization (CSO) representatives (preferably women's groups)

Other relevant LGU personnel and CSOs may be invited to provide inputs and contribute in the assessment. To ensure that the desired results from the assessment will be met, the roles, functions, and corresponding tasks of participating offices and groups must be clearly defined.

B. Parts of the GeRL Assessment Tool

The tool is composed of six (6) forms that should be accomplished by the LGU during the assessment. These are the following:

- 1. FORM A: LGU BASIC INFORMATION**
This form contains the basic profile of the LGU, including officials, demographics, and economic information, among others.
- 2. FORM B: GeRL ASSESSMENT TOOL FOR ORGANIZATIONAL CAPACITIES**
The indicators in this form determine the LGU's gender responsiveness in terms of its policies, plans, and institutional capabilities.
- 3. FORM C: GeRL ASSESSMENT TOOL FOR BASIC SERVICES AND FACILITIES**
The indicators in this form determine the LGU's gender responsiveness in the delivery of basic services and facilities.

FORM MARKER

SUB-PERFORMANCE AREAS

MAIN PERFORMANCE AREAS

GeRL ASSESSMENT TOOL INDICATORS		DESCRIPTORS AND RATING SCALE					RATING PER ITEM	Means of Verification (MOV) /Remarks	
		0	1	2	3	4			
1) Availability of primary prevention services for sexual and gender-based violence (SGBV) and human trafficking Please put a "✓" on the items that apply: ☐ Trained service provider on handling gender-responsive cases management ☐ Conduct of annual 18-day Campaign to End Violence Against Women (VAW) ☐ Conduct of human rights education session for women and men in the community ☐ Capability-building seminar on VAW and GAD for Barangay VAW Desk Officers Others, please specify: _____		No primary prevention service for SGBV and human trafficking is provided by the LGU	One (1) primary prevention service for SGBV and human trafficking is provided by the LGU	Two (2) primary prevention services for SGBV and human trafficking are provided by the LGU	Three (3) or primary prevention services for SGBV and human trafficking are provided by the LGU	Four (4) or more primary prevention services for SGBV and human trafficking are provided by the LGU		Please provide the corresponding MOV for your rating: 1 to 4 Copy of documents related to the implementation of each program 0 Explain why LGU does not provide prevention services for SGBV and human trafficking	

RATING SCALE DESCRIPTION

Figure 1. Specific Parts of Forms B and C

Forms B and C consist of the following parts: Main and Sub-Performance Areas, GeRL Assessment Tool Indicators, Rating Scale of 0 to 4 and its Corresponding Descriptors, Rating per Item, and Means of Verification (MOV)/Remarks.

The Main Performance Area defines the main categories of the different sub-areas in the GeRL Assessment Tool. These performance areas are the LGU's key responsibilities or areas that it has direct control. The Sub- Performance Area clusters similar development indicators of programs and services together.

The GeRL Assessment Tool indicators in Form B measure the LGU's capacity to develop, implement, and monitor GAD-related policies; integrate gender in local development plans, in organizational human resource management and development, and in communication systems; and allocate resources for gender and development. In addition, the indicators also measure the LGU's organizational capacity to establish institutional mechanisms on GAD, sustain the functionality of these mechanisms and ensure that these are used as models or can be replicated by other LGUs. These are assessed in the areas of administrative governance, valuing the fundamentals of good governance, and local institutional capacity.

The GeRL Assessment Tool indicators in Form C measure the level of gender-responsiveness in delivering basic services and facilities for social, economic, and environmental development sectors.

The Rating Scale Descriptors are used to assess the LGU's level of compliance to the GeRL Assessment Tool indicators.

The Means of Verification (MOV)/Remarks Column lists the required MOVs or documents an LGU needs to present to justify and validate the rating indicated.

4. FORM D: GeRL ASSESSMENT TOOL SCORE SHEET

This form reflects the score per indicator in Forms B and C.

5. FORM E: GeRL ASSESSMENT TOOL RATING SUMMARY

This form summarizes the rating for the main performance areas in Forms B and C.

6. FORM F: LGU ACTION POINTS

This form contains the gaps or gender issues identified based on the results of the assessment of indicators, specifically those with ratings of zero (0) or one (1). This also contains the specific interventions to address the gaps, schedule of implementation, and responsible LGU office/s.

C. Interpretation of Total GeRL Assessment Tool Score

The rating scale of the enhanced GeRL Assessment Tool ranges from zero (0) to four (4). Each rating scale has a corresponding description to help the LGU accurately determine the score for each indicator.

The table below lays down the interpretation of the total score garnered in administering the GeRL Assessment Tool.

LGUs can use the same guide to interpret their scores in both organizational capacities and delivery of basic services and facilities.

TOTAL SCORE	LEVEL DESCRIPTION	INTERPRETATION
0 to 1.5	GAD is Invisible	Does not show differential positive impact for gender relations or equality between women and men
1.51 to 2.75	Gender Neutral	Slightly manifests gender responsiveness by identifying initial efforts to establish GAD in the organizational structures, policies, and programs
2.76 to 3.25	Gender Sensitive	Adequately manifests gender responsiveness by identifying and implementing changes to organizational structures, policies, and programs, but does not actively address gender issues
3.26 to 3.80	Gender-Responsive	Manifests a systematic approach and is moving towards advanced stages of being gender-responsive
3.81 to 4.00	Fully Gender-Responsive	Has institutionalized a comprehensive approach to making the LGU gender-responsive

III. GUIDE TO USING THE GeRL ASSESSMENT TOOL

The enhanced GeRL Assessment Tool is self-administered. The following instructions should guide the Assessment Team in administering the tool.

1. **FILL OUT FORM A: LGU BASIC INFORMATION**

Ensure that updated and accurate information are reflected in the profile form, as this will serve as reference in accomplishing the succeeding parts of the **GeRL ASSESSMENT Tool**.

2. THE PERIOD OF ASSESSMENT IS THE THREE (3) YEARS PRIOR TO THE YEAR OF ASSESSMENT

The assessment team must agree on the answer for each item. The answers should represent the group's consensus for each indicator. As needed, the assessment team may consult other personnel who are in the best position to provide the most accurate and reliable information.

3. MARK THE UPPER LEFT BOX OF THE DESCRIPTOR WITH A CHECK (✓)

In answering Form B: Organizational Capacities and Form C: Basic Services and Facilities, mark with a check (✓) the upper left box of the descriptor that best reflects the LGU's gender mainstreaming efforts. Then, put the numerical value that corresponds to the LGU's answer at the "Rating Per Item" column.

Should there be indicators not applicable to the LGU's context, please do not mark the rating scale or give any rating. Such indicators will not be considered in the GeRL Assessment Tool total rating score of the LGU. Specify why the indicator is not applicable to the LGU in the 'Remarks' column.

 GeRL ASSESSMENT TOOL INDICATORS		I. SOCIAL DEVELOPMENT SECTOR (Total Sub-Performance Areas: 6)					RATING PER ITEM	Means of Verification (MOV) /Remarks	
		A. Social Welfare and Development Services (Total indicators: 4)						1 to 4	
		DESCRIPTORS AND RATING SCALE							
	0	1	2	3	4				
1) Availability of primary prevention services for sexual and gender-based violence (SGBV) and human trafficking Please put a "✓" on the items that apply: ☐ Trained service provider on handling gender-responsive cases management ☐ Conduct of annual 18-day Campaign to End Violence Against Women (VAW) ☐ Conduct of human rights education session for women and men in the community ☐ Capability-building seminar on VAW and GAD for Barangay VAW Desk Officers Others, please specify:	No primary prevention service for SGBV and human trafficking is provided by the LGU	One (1) primary prevention service for SGBV and human trafficking is provided by the LGU	Two (2) primary prevention services for SGBV and human trafficking are provided by the LGU	☒ Three (3) or primary prevention services for SGBV and human trafficking are provided by the LGU	Four (4) or more primary prevention services for SGBV and human trafficking are provided by the LGU	3	Please provide the corresponding MOV for your rating: 1 to 4 Copy of documents related to the implementation of each program 0 Explain why LGU does not provide prevention services for SGBV and human trafficking		

4. COMPUTE THE SUB-AVERAGE RATING, AVERAGE RATING, TOTAL AVERAGE RATING AND OVERALL RATING

After answering Forms B and C, **compute the sub-average rating, average rating, total average rating and overall rating** by following the step-by-step guide below:

STEP-BY-STEP GUIDE

Step 1:

To compute for the sub-average scores of each sub-performance area, add the scores of the six indicators in the sub-performance area, and divide by the total number of indicators of the said sub-performance area.

Example:

Computing the sub-average of "Policies on the Establishment of Institutional Mechanisms" (under "Administrative Governance" Main Performance Area) in Form B, "Organizational Capacities."

$$\text{Sub-Average} = \frac{\text{Sum of scores in six Sub-Performance indicators}}{6}$$

Step 2:

To compute for the average scores of each of the Main Performance Areas, get the total of the Sub-Performance Areas' sub-average scores, and divide by the total number of the Sub-Performance Areas.

Example:

Computing the average for the Main Performance Area of "Administrative Governance."

$$\text{Average} = \frac{\text{Sum of sub-averages in five Sub-Performance Areas}}{5}$$

Step 3:

To compute for the total average score (TAS) of Form B, "Organizational Capacities," and Form C, "Basic Services and Facilities", get the total of all the Main Performance Areas' average scores, and divide it the total number of the Main Performance Areas.

Example:

$$\text{TAS} = \frac{\text{Sum of average scores in all Main Performance Areas}}{3}$$

Step 4:

To compute for the overall rating, add the TAS of Forms B and C, and divide the total by 2.

Example:

$$\text{Overall Rating} = \frac{\text{TAS of Form B} + \text{TAS of Form C}}{2}$$

5. TRANSFER ALL THE SCORES TO FORM D: GeRL ASSESSMENT TOOL SCORE SHEET AND FORM E: GeRL ASSESSMENT TOOL RATING SUMMARY

The scores obtained in the assessment is a diagnosis of the LGU's level of gender responsiveness.

6. IDENTIFY THE GAPS AND WEAKNESSES

After accomplishing Forms A, B and C, the LGU must identify the gaps and weaknesses where it should focus on to strengthen its gender mainstreaming efforts. Also, list down the gender gaps that the LGU will prioritize using Form F: LGU Action Points. The interventions identified may also be included in the formulation of the LGU's GAD Agenda and/or Annual GAD Plan and Budget. This should also be presented to the LGU officials together with the rating of the GeRL Assessment Tool for appropriate action or concurrence.

IV. Guide to Answering Specific Indicators in Form B: Organizational Capacities

LGUs who will use the GeRL Assessment Tool for baseline assessment should take note that the inclusive period of assessment is at least three (3) years prior to assessment year.

For example, if the date of assessment is November 15, 2018, the assessment team should answer the following indicators as follows:

Form B

I.C.3: Endorsement of annual GAD Plan and Budget (GPB) and GAD Accomplishment Report (AR) by the DILG

Get the average score from 2015 to 2017.

Example:

2015: GPB and GAD AR were drafted but not submitted. Hence, the rating is 1.

2016: GPB and GAD AR were timely submitted to the DILG. Hence, the rating is 2.

2017: LGU has no GPB and GAD AR. Hence, the rating is 0.

$$\begin{aligned}\text{Average rating} &= \frac{1 + 2 + 0}{3} \\ &= \frac{3}{3} \\ &= 1\end{aligned}$$

Form B

I.C.4: Implementation of GAD Plan and Budget (GPB)

Get the average score from 2015 to 2017.

Example:

2015: Not more than 10% of the programs, plans and activities (PPAs) in the GPB was implemented. Hence, the rating is 0.

2016: Only 20% of the programs, plans and activities (PPAs) in the LGU GPB was implemented. Hence, the rating is 1.

2017: 50% of the PPAs in the LGU GPB was implemented. Hence, the rating is 2.

$$\begin{aligned}\text{Average rating} &= \frac{0 + 1 + 2}{3} \\ &= \frac{3}{3} \\ &= 1\end{aligned}$$

Form B

I.C.5: LGU GPB and GAD AR reviewed by the relevant LGU Planning and Development Office (C/M/PPDO) and forwarded to the relevant DILG Office (C/MLGOO or DILG City/Provincial/Regional Office)

Get the average score from 2015 to 2017.

Example:

- 2015:** LGU did not review any relevant LGU GPB and GAD ARs. Hence, the rating is 0.
- 2016:** 20% or less of submitted relevant GPBs and GAD ARs were reviewed by LGU Planning and Development Office and forwarded to the relevant DILG Office (C/MLGOO or DILG City/Provincial/Regional Office). Hence, the rating is 1.
- 2017:** 21% to 50% of relevant GPBs and GAD ARs were reviewed by LGU Planning and Development Office and forwarded to the relevant DILG Office (C/MLGOO or DILG City/Provincial/Regional Office). Hence, the rating is 2.

$$\begin{aligned}\text{Average rating} &= \frac{0 + 1 + 2}{3} \\ &= \frac{3}{3} \\ &= 1\end{aligned}$$

Form B

I.C.6: Existence of LGU GAD M&E Report based on GAD policies, programs, and projects

Get the average rating from 2015 to 2017.

Example:

- 2015:** LGU has no GAD M&E Report. Hence, the rating is 0.
- 2016:** LGU is collecting data and information for the GAD M&E Report. Hence, the rating is 1.
- 2017:** LGU GAD M&E Report is drafted. Hence, the rating is 2.

$$\begin{aligned}\text{Average rating} &= \frac{0 + 1 + 2}{3} \\ &= \frac{3}{3} \\ &= 1\end{aligned}$$

Form B

I.E.1: Percentage of LGU's total budget allocated to implement GAD Programs, Activities, Projects (PAPs) in the last three (3)

Get the average score from 2015 to 2017.

Example:

2015: Less than 5% of LGU resources was allocated to implement GAD PAPs in the last three (years). Hence, the rating is 1.

2016: 6% of LGU's budget is allocated to implement GAD PAPs in the last three (3) years. Hence, the rating is 2.

2017: LGU did not allocate budget to implement GAD PAPs. Hence, the rating is 0

$$\begin{aligned}\text{Average rating} &= \frac{1 + 2 + 0}{3} \\ &= \frac{3}{3} \\ &= 1\end{aligned}$$

Form B

I.E.2: Percentage of GAD budget utilized to implement the GAD Plan and Budget (GPB) in the last three (3) years

Get the average score from 2015 to 2017.

Example:

2015: LGU's GAD Budget is not utilized to implement GPB. Hence, the rating is 0.

2016: 21% of LGU's GAD Budget is utilized to implement GPB in the last three years. Hence, the rating is 2.

2017: 19% of LGU's GAD Budget was utilized for GAD PPAs. Hence, the rating is 1.

$$\begin{aligned}\text{Average rating} &= \frac{0 + 2 + 1}{3} \\ &= \frac{3}{3} \\ &= 1\end{aligned}$$

Get the average score from 2015 to 2017.

Example:

2015: LGU was able to justify the negative Audit Observation Memorandum (AOM), Notice of Suspension and Disallowance (NSD), Notice of Disallowances (ND), and Notice of Charges (NC) issued by Commission on Audit (COA). Hence, the rating is 1.

2016: LGU was able to justify the negative AOM, NSD, ND, and NC issued by COA. Hence, the rating is 1.

2017: LGU failed to justify the negative AOM, NSD, ND, and NC issued by COA. Hence, the rating is 0.

$$\begin{aligned}\text{Average rating} &= \frac{1 + 1 + 0}{3} \\ &= \frac{2}{3} \\ &= \mathbf{0.67}\end{aligned}$$

In case the LGU has not received negative AOM, NSD, ND, and NC in the last three years, the rating is automatically four (4).

NOTE:

For the rest of the GeRL Assessment Tool indicators, the assessment team should assess the LGU by marking the appropriate descriptors, supported by relevant MOVs.

GeRL Assessment Tool Score Sheet

Name of LGU:

Date of Assessment:	Coverage of assessment (Please specify years):

FROM FORM B: ORGANIZATIONAL COMPETENCIES

I. ADMINISTRATIVE GOVERNANCE (Total sub-performance areas: 5)

A. POLICIES ON THE ESTABLISHMENT OF INSTITUTIONAL MECHANISMS (Total indicators: 6)

GeRL Assessment Tool Indicators	RATING
1) Integration of Gender and Development (GAD) perspective in the local government unit's (LGU) vision, mission, and goal statements	
2) Implementation, monitoring and evaluation (M&E) of GAD Code or Ordinance	
3) Existence of policy on the creation and strengthening of the GAD Focal Point System (GFPS) in accordance with guidelines issued by oversight agencies	
4) Existence of policy on the creation of GAD M&E Team	
5) Existence of policy on the preparation and implementation of GAD Plan and Budget (GPB) in the last three (3) years	
6) Existence of policy on the generation and use of sex-disaggregated data (SDD) and gender-related indicators	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 6)	

B. POLICIES ON THE PROTECTION AND PROMOTION OF WOMEN'S HUMAN RIGHTS (TOTAL INDICATORS: 7)

GeRL ASSESSMENT TOOL INDICATORS	RATING
1) Existence of ordinance or policy related to violence against women and their children (VAWC) or sexual and gender-based violence (SGBV)	
2) Existence of ordinance or policy against human trafficking	

3)	Existence of ordinance or policy on anti-sexual harassment including in public spaces	
4)	Existence of ordinance or policy on anti-discrimination based on sexual orientation, gender identity, and expression (SOGIE)	
5)	Existence of ordinance or policy on responsible parenthood and reproductive health (RPRH)	
6)	Existence of ordinance or policy on the representation of women in Local Development Councils (LDCs) and decision-making bodies	
7)	Integration of GAD perspective in sectoral ordinances, resolutions, executive orders (EOs), and other local issuances	
SUB-TOTAL (sum of ratings in sub-performance area)		
SUB-AVERAGE RATING (sub-total divided by 7)		

C. LOCAL DEVELOPMENT PLANS AND GAD AGENDA (TOTAL INDICATORS: 6)

GeRL Assessment Tool Indicators		RATING
1)	Adoption of GAD agenda	
2)	Number of Local Development Plans (LDPs) integrated with GAD perspective	
3)	Endorsement of annual GAD Plan and Budget (GPB) and GAD Accomplishment (GAD AR) by the Department of the Interior and Local Government (DILG)	
4)	Implementation of GAD Plan and Budget (GPB)	
5)	Submitted LGU GPBs and GAD ARs reviewed by the relevant LGU Planning and Development Office (C/M/PPDO) and forwarded to the relevant DILG Office (C/MLGOO or DILG City/Provincial/Regional Office)	
6)	Existence of LGU GAD M&E Report based on GAD policies, programs, and projects	
SUB-TOTAL (sum of ratings in sub-performance area)		
SUB-AVERAGE RATING (sub-total divided by 6)		

D. HUMAN RESOURCE MANAGEMENT AND DEVELOPMENT (TOTAL INDICATORS: 8; 1 ITEM WITH 3 SUB-INDICATORS)

GeRL Assessment Tool Indicators		RATING
1)	Percentage of offices and departments headed by women	
2)	Percentage of staff and personnel with Gender Sensitivity Training (GST) or Basic GAD Training	

3) Percentage of GAD Focal Point System (GFPS) trained on the Basic GAD Modules 3.1) Gender Sensitivity Training (GST) 3.2) Gender Analysis (GA) with GA Tools Training 3.3) GAD Planning and Budgeting (GPB)	
4) Percentage of Sanggunian members oriented on GAD concepts and mandates	
5) Percentage of Local Development Council (LDC) members oriented on GAD concepts and mandates	
6) Support of Local Chief Executive (LCE) for GAD policies, programs, and projects	
7) Number of staff or personnel able to develop GAD information, education and communication (IEC) materials	
8) Percentage of LGU departments or offices that integrated GAD in their respective areas of concern	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 10)	
E. RESOURCE ALLOCATION AND FINANCIAL ACCOUNTABILITY (TOTAL INDICATORS: 3)	
GeRL Assessment Tool Indicators	RATING
1) Percentage of LGU's total budget allocated to implement GAD Programs, Activities, and Projects (PAPs) in the last three (3) years	
2) Percentage of GAD budget utilized to implement the GAD Plan and Budget (GPB) in the last three (3) years	
3) Judicious utilization of GAD budget	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 3)	
TOTAL (sum of sub-average rating in main performance area)	
AVERAGE RATING (total divided by 5)	

II. VALUING FUNDAMENTALS OF GOOD GOVERNANCE (Total sub-performance areas: 3)

A. PARTICIPATION AND REPRESENTATION IN LEADERSHIP POSITIONS AND SPECIAL BODIES (Total indicators: 2)

GeRL Assessment Tool Indicators	RATING
1) Number of local special bodies (LSBs) with at least 40% women permanent members	
2) Representation of women's sectoral group in Sanggunian	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 2)	

B. COMMUNICATION SYSTEM FOR GAD (TOTAL INDICATORS: 5)

GeRL Assessment Tool Indicators	RATING
1) Existence of GAD-related IEC materials developed for LGU personnel	
2) Existence of GAD-related IEC materials developed for constituents	
3) Use of gender-fair language and images in IEC materials	
4) Number of regular programs that integrate gender-sensitive core messages in its IEC materials	
5) Existence of GAD corner or link in the LGU official website	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 5)	

C. COMPLIANCE TO THE FULL DISCLOSURE POLICY (TOTAL INDICATORS: 1)

GeRL Assessment Tool Indicators	RATING
1) Timely posting of GAD AR and gender mainstreaming (GM) progress report in strategic/ conspicuous places	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 1)	
TOTAL (sum of sub-average rating in main performance area)	
AVERAGE RATING (total divided by 3)	

III. LOCAL INSTITUTIONAL CAPACITY (Total sub-performance areas: 1)

ORGANIZATIONAL CAPACITY (Total indicators: 9)

GeRL Assessment Tool Indicators	RATING
1) Existence of GAD Focal Point System (GFPS) in the LGU	
2) Functionality of GFPS based on recent policy issued by oversight agency/ies	
3) Existence of database with SDD and GAD-related statistics	
4) Functionality of GAD M&E Team	
5) Existence of GAD office/unit	
6) Certification or recognition of LGU as model for notable GAD Mainstreaming (GM) efforts	
7) Functionality of Local Committee on Anti-Trafficking and Violence Against Women and their Children (LCAT-VAWC)	
8) Percentage of the LGU's Barangays with established VAW desks	
9) Percentage of the LGU's Barangay VAW desks evaluated as functional

FROM FORM C: BASIC SERVICES AND FACILITIES

I. SOCIAL DEVELOPMENT SECTOR (Total sub-performance areas: 6)

A. SOCIAL WELFARE AND DEVELOPMENT SERVICES (TOTAL INDICATORS: 4)

GeRL Assessment Tool Indicators	RATING
1) Availability of primary prevention services for sexual and gender-based violence (SGBV) and human trafficking	
2) Availability of response system services and facilities for SGBV and human trafficking victims/survivors	
3) Availability of structures, services, and facilities for the reintegration of SGBV and human trafficking victims/survivors	
4) Availability of gender-sensitive pre-marriage counseling services through integration of the following core messages in pre-marriage counseling modules	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 4)	

B. HEALTH SERVICES (TOTAL INDICATORS: 12)

GeRL Assessment Tool Indicators	RATING
1) Availability of responsible parenthood and reproductive health (RPRH) services and facilities for pre-pregnancy planning	
2) Availability of RPRH services and facilities for antenatal care	
3) Availability of RPRH services and facilities for labor and delivery	
4) Availability of RPRH services and facilities for postpartum care	
5) Availability of RPRH services and facilities for adolescent and youth	
6) Availability of RPRH services and facilities for reproductive tract cancers and other gynecological disorders	
7) Availability of RPRH services and facilities for Human Immunodeficiency Virus (HIV), Acquired Immune Deficiency Syndrome (AIDS), and Sexually Transmitted Infections (STIs)	
8) Availability of Minimum Initial Service Package (MISP) for RPRH in crisis situations	

9)	Availability of health services for SGBV and human trafficking victims/survivors	
10)	Availability of health services and facilities for mental health clients	
11)	Percentage of households with access to safe drinking water that passed the Philippine National Standards for Drinking Water (PNSDW) of the Department of Health (DOH)	
12)	Percentage of households with sanitary toilet	
SUB-TOTAL (sum of ratings in sub-performance area)		
SUB-AVERAGE RATING (sub-total divided by 12)		
C. SAFETY AND PROTECTION SERVICES (TOTAL INDICATORS: 5, ONE ITEM OPTIONAL)		
GeRL Assessment Tool Indicators		RATING
1)	Availability of services and facilities for children at risk	
2)	Availability of services and facilities for children in conflict with the law (CICL)	
3)	OPTIONAL: Availability of services and facilities for displaced women and children in situations of armed conflict	
4)	Existence of separate detention center/s for women detainees at the LGU Police Station	
5)	Availability of gender-sensitive services and facilities for women and children with disabilities	
SUB-TOTAL (sum of ratings in sub-performance area)		
SUB-AVERAGE RATING (sub-total divided by 5 or 4, if optional item is not applicable)		
D. EDUCATION-RELATED SERVICES AND FACILITIES (TOTAL INDICATORS: 3)		
GeRL ASSESSMENT TOOL INDICATORS		RATING
1)	Availability of scholarship programs to enable marginalized students to enter into non-traditional fields	
2)	Availability of alternative learning programs for marginalized groups	
3)	Availability and use of sex-disaggregated data (SDD) on education in planning and program development	
SUB-TOTAL (sum of ratings in sub-performance area)		
SUB-AVERAGE RATING (sub-total divided by 3)		

E. HOUSING (TOTAL INDICATORS: 2)	
GeRL ASSESSMENT TOOL INDICATORS	RATING
1) Availability of housing programs, services, and facilities that are responsive to marginalized sectors	
2) Availability and use of SDD on housing and shelter in planning and program development	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 2)	
F. SOCIAL INFRASTRUCTURE (TOTAL INDICATORS: 8)	
GeRL Assessment Tool Indicators	RATING
1) Existence of express lanes for senior citizens, persons with disability (PWDs), and pregnant women in places and structures managed or owned by the LGU	
2) OPTIONAL (subject to issuance of Certificate of Exemption.) Percentage of LGU managed places or structures with lactation stations with necessary equipment and facilities	
3) Availability of separate functional toilets for men and women with clean and running water in places and structures managed or owned by the LGU	
4) Existence of diaper-changing facility in places and structures managed or owned by the LGU	
5) Existence of lying-in facilities in the LGU	
6) Adequacy of lighting in streets and public places (e.g., sports center, buildings, jails, freedom parks, and other similar facilities) as possible deterrent to crimes against women and children	
7) Existence of accessible multi-purpose hall for out-of-school youth, women, senior citizens, minors, displaced families, indigenous people, and PWDs in barangays	
8) Existence of day-care centers in all barangays of the LGU	
SUB-TOTAL (sum of ratings in sub-performance area)	
SUB-AVERAGE RATING (sub-total divided by 8)	
TOTAL (sum of sub-average rating in main performance area)	
AVERAGE RATING (total divided by 6)	

II. ECONOMIC DEVELOPMENT SECTOR (Total sub-performance areas: 3)

A. ENTREPRENEURSHIP, BUSINESS AND INDUSTRY SERVICES (TOTAL INDICATORS: 5)

GeRL Assessment Tool Indicators		RATING
1)	Availability of livelihood and enterprise training program for women	
2)	Provision of assistance to cooperatives for women entrepreneurs	
3)	Existence of women entrepreneur groups or cooperatives organized by the LGU to improve their production and marketing capabilities	
4)	Availability of credit programs and facilities for entrepreneurs, especially women	
5)	Availability and use of sex-disaggregated data (SDD) on micro, small and medium enterprises (MSMEs) in planning and program development	
SUB-TOTAL (sum of ratings in sub-performance area)		
SUB-AVERAGE RATING (sub-total divided by 5)		

B. AGRICULTURE SERVICES (OPTIONAL, APPLIES ONLY TO LGUS WITH AGRICULTURAL ECOSYSTEM) (TOTAL INDICATORS: 6)

GeRL Assessment Tool Indicators		RATING
1)	Availability of agriculture-based training program offered or organized by the LGU for women farmers	
2)	Provision of assistance to cooperatives for women farmers	
3)	Existence of women farmers' groups or cooperatives organized by the LGU to improve production and marketing capabilities	
4)	Availability of credit programs and facilities for farmers, especially women	
5)	Availability and use of sex-disaggregated data (SDD) on agriculture in planning and program development	
6)	Availability of women-friendly farm implement and equipment	
SUB-TOTAL (sum of ratings in sub-performance area)		
SUB-AVERAGE RATING (sub-total divided by 6)		

C. FISHERY SERVICES (OPTIONAL, APPLIES ONLY TO LGUS WITH COASTAL MARINE AND/OR FRESHWATER ECOSYSTEM) (TOTAL INDICATORS: 5)	
GeRL Assessment Tool Indicators	RATING
1) Availability of fishery-based training programs offered or organized by the LGU for women fisher folks	
2) Provision of assistance to cooperatives for women fisher folks	
3) Existence of women fisher folks groups organized by the LGU to improve production and marketing capabilities	
4) Availability of credit programs and facilities for fisher folks, especially women	
5) Availability and use of sex-disaggregated data (SDD) on fisheries in planning and program development

GRAND AVERAGE RATING		
TO GET THE OVER-ALL RATING		RATING
OVERALL RATING (sum of grand average rating divided by 2)		
OVER-ALL LGU LEVEL OF GENDER-RESPONSIVENESS		

TOTAL SCORE	LEVEL DESCRIPTION	INTERPRETATION
0 to 1.5	GAD is Invisible	Does not show differential positive impact for gender relations or equality between women and men
1.51 to 2.75	Gender Neutral	Slightly manifests gender responsiveness by identifying initial efforts to establish GAD in the organizational structures, policies, and programs
2.76 to 3.25	Gender Sensitive	Adequately manifests gender responsiveness by identifying and implementing changes to organizational structures, policies, and programs, but does not actively address gender issues
3.26 to 3.80	Gender-Responsive	Manifests a systematic approach and is moving towards advanced stages of being gender-responsive
3.81 to 4.00	Fully Gender-Responsive	Has institutionalized a comprehensive approach to making the LGU gender-responsive

FORM F

LGU Action Points

Identify and list down gender gaps with corresponding interventions that the LGU can commit to, in order to improve its rating and category.

I. ORGANIZATIONAL COMPETENCIES

GAPS	INTERVENTIONS	SCHEDULE OF IMPLEMENTATION	RESPONSIBLE OFFICE
<i>Example: Low level of knowledge and understanding on Basic GAD Concepts among LGU staff/ personnel</i>	<i>Conduct Gender Sensitivity Training for all LGU staff/ personnel – 3 batches</i>	<i>1st to 2nd quarter of 2018</i>	<i>Human Resource Management Office/ GAD Focal Point System TWG</i>

II. BASIC SERVICES AND FACILITIES

GAPS	INTERVENTIONS	SCHEDULE OF IMPLEMENTATION	RESPONSIBLE OFFICE
<i>Example: Lack of lactation station with necessary equipment and facilities established in the LGU</i>	• Conduct of survey on the number of breastfeeding mothers in the LGU and average number of women who visit the offices • Set up a lactation station considering the required equipment and facilities	<i>2019</i>	<i>Engineering Office/ Planning and Development Office</i>
